

February 10, 2012

Dear Parents,

Our 100th day celebration will be on Monday, February 13th. The children are excited to reach this special day! Please check your e-mail or the classroom website about one of our counting activities that your child should bring in on Monday.

Monday is also Mission Monday. We would love to see a good response to this. Thank you!

We will be exchanging valentines on Tuesday, February 14th. Please send in the valentines on Monday or Tuesday.

February 29th is the kindergarten parent luncheon. We will also have our Letter Celebration and "QU" wedding that afternoon. Each child will be choosing a Letter Person and dressing as that Letter Person for the "celebration." They will also be learning a rhyme to recite for their Letter Person. More information will come home next week.

We have been discussing addresses. Please practice this with your child so he/she can tell me their complete address. (zip code not needed) If you haven't done so yet, please let me know which phone number you want your child to know. Thanks

Your child brought some materials home this week about dental health from Colgate. Discuss this and try to take the time to fill in the chart to help your child remember to brush at least twice a day.

Reminder: There is NO SCHOOL Monday, February 20th.

Happy Valentine's Day!

Mrs. Zeamer
