

Eighth Annual Rose Day

On May 3, 2004, Our Lady of the Angels School lost one of its special angels. Emily Rose Geyer, a kindergarten student, passed away from complications due to asthma.

The Annual Rose Day project was begun in May of 2005 as a way for Emily's classmates and all of the students at OLA to remember her. Through various fundraisers, our school has donated over \$13,000 to the American Lung Association and Make-A-Wish Foundation in Emily's memory.

This year the eighth grade class will again be sponsoring two fundraisers:

"Pennies from Heaven"

A penny/coin collection held in each classroom

"Jump for Rose Day"

A school activity held during gym class

Since this year will be our last one to honor Emily, we hope to make it the best one! Please look for further information about these fundraisers on the website.

Thank you in advance for your support!
