

## IMPORTANT SCRIP UPDATE

With approval from the School Board, the Development Committee has voted to increase the percent families receive with scrip purchases. Effective with orders received on November 14, 2011 forward, families will now receive 75% of the GLScrip discount on every card purchased. An updated order form will be on the school website shortly.

There is nothing extra that you need to do, just order as usual, and be sure to pass the good news along to someone who may not be aware of how much scrip can help with your tuition for the following school year.

Parents planning to send a child to preschool next year may even start purchasing scrip to help reduce the tuition for preschool.

Remember to register your Musser's gold card to receive credit every time you shop at Musser's. Be sure to send your name and card number to me once it is registered.

To register your Gold Card with Musser's to receive scrip credit each time you shop:

Go to: [www.mycommunityrewards.com](http://www.mycommunityrewards.com)

Click on Musser's Markets

Click on Shoppers Registration (along the left side of the web page)

Click on Shoppers Register Here

Fill in the form and print it to send to my attention

Then click on submit registration

Thank you,

Bonnie Reich
