

Neumann Scholarship Foundation

January 2012

OLA School Code 10307

The Neumann Scholarship Foundation is a program derived from the state Educational Improvement Tax Credit plan, which allows companies to take a credit against certain state taxes in return for their donation to qualified scholarship organizations. Companies may make an unrestricted donation or designate their donation for a particular school. **For the 2012-2013 school year, \$100,000** has been earmarked for tuition assistance for students attending Our Lady of the Angels School.

The Diocese works with PSAS, the company that has been selected to manage the program.

Applications for the scholarship are available on our website, www.ourladyoftheangels.org and **upon request** at the school office.
