

Parents and friends of OLA:

The OLA Athletic Association is looking for volunteers to assist with the concession stand at home basketball games this year. In addition to selling concession items, we will also be collecting a dollar admission donation from adults to go toward a contribution to the Columbia Borough School District for use of the gym and our end of season Family Sub Night.

We have home games at Park School on six upcoming dates and are seeking two volunteers for each game. If you have a son or daughter on a team, please consider a time slot before or after your game. The names below in parantheses are those who have signed up. If you can help, please fill in your name on the schedule and return to me. We will also accept students age 13 and older as volunteers and, through the school, can sign off on community service hours.

If you are unable to help with the concession stand but would like to make a donation, here are a few items on our Wish List: hot dogs, Gatorade, water, Push Pops, Sour Patch Kids, Hershey's chocolate bars (fundraising pack) and snack size chips. Thank you for your support of our OLA student athletes.
